University of Venda

Ref: Optima Lab Solutions (Pty) Reference Letter

This letter confirms that the University of Venda has conducted business with Optima Lab Solutions (Pty) Ltd.

Our experience with Optima Solutions, from the initial enquiry to service delivery, was one of complete professionalism. The services provided by the staff at Optima were efficient, and the training offered was well received.

We are very satisfied with the performance of our system, which has exceeded our expectations. Optima's system provides the University of Venda with reliable information to support our processes. We can generate high-quality images at higher magnifications and conduct effective elemental analysis.

The support from Optima Lab Solutions (Pty) Ltd service team has been exceptional. Their engineers possess a wealth of knowledge about our systems and have been extremely helpful in providing additional technical training and advice.

Overall, we are very pleased with the products and services provided by Optima Lab Solutions (Pty) Ltd. For any further enquiries, feel free to contact me.

Yours sincerely,

Dr Rabelani Mudzielwana
